FY 09 - FY 10 Change in Committed Consultant Dollars by Vendor

Chicago Public Schools employs consultants and contractors to meet specialized needs of the District and augment existing staff resources. These vendors provide a wide range of services encompassing tutoring, art and athletic programming, professional development, technical services and financial support.

\$170M was committed to consultant spending in FY 10, a \$74M reduction from FY 09. 90% of these dollars were committed to School-Based, Area Office and City-Wide services.
