AMEND THE POLICY ON NCLB TITLE I PARENTAL INVOLVEMENT

THE CHIEF EXECUTIVE OFFICER RECOMMENDS:

That the Board amend the Policy on NCLB Title I Parental Involvement.

DESCRIPTION: As required by Section 1118 of the Elementary and Secondary Education Act, the District has conducted, with the involvement of parents, an annual evaluation of the content and effectiveness of the parental involvement policy in improving the academic quality of the schools served under Title I, Part A. Amendment of the policy is necessary to implement changes to the policy resulting from the annual evaluation process.

POLICY TEXT:

PURPOSE:
This policy is being adopted in order to: 1) support and secure an effective partnership among Title I parents, legal guardians, schools, and the community, 2) provide Chicago Public School (“CPS”) students with a school environment that encourages high student academic achievement, and 3) comply with the No Child Left Behind Act (“NCLB”) Title I, Part A requirements regarding the establishment of a parental involvement policy.

I. Definitions

“Parental Involvement” – The term parental involvement means the participation of parents in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring that (a) parents play an integral role in assisting their child’s learning, (b) that parents are encouraged to be actively involved in their child’s education, (c) that parents are full partners in their child’s education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child, and (d) the carrying out of other activities such as those described in section 1118 of the Elementary and Secondary Education Act (ESEA).

II. General Expectations

The Board believes that parental involvement is important to the establishment of an educational environment that encourages high student academic achievement. Parents of CPS students have a unique opportunity for parental involvement through active participation in and support of Parent Advisory Councils (“PACs”) and Local School Councils (“LSCs”), including LSCs in schools on probation. CPS currently provides various services and support of parents through its efforts with PACs, LSCs and other parent organizations. CPS, through the Department of External Affairs, will continue to offer these services and support and agrees to implement the following statutory requirements with quarterly reports submitted to the Parent Involvement Advisory Board (“PIAB”):

A. CPS will put into operation programs, activities and procedures for the involvement of parents in all of its schools with Title I, Part A programs, consistent with section 1118 of the ESEA. These programs, activities and procedures will be planned operated with meaningful consultation with parents of participating children.

B. Consistent with section 1118, CPS, through its Office of Local School Council Relations, will work with its schools to ensure that local Parent Advisory Councils (“PACs”) are established in a timely manner each school year and that the required school-level parental involvement policies meet the requirements of section 1118(b) of the ESEA and each include, as a component, a school-parent compact consistent with section 1118(d) of the ESEA. If a functioning Parent Advisory Council is not established in a school receiving Title I funds in a timely manner, the school shall involve parents in decisions related to its Title I Program and Title I parental involvement activities through means other than the Parent Advisory Council.
C. CPS will incorporate this district-wide Title I parental involvement policy into its educational plan developed under section 1112 of the ESEA.

D. In carrying out the Title I, Part A parental involvement requirements, to the extent practicable, CPS and its schools will provide full opportunities for the participation of parents with limited English proficiency, parents with disabilities and parents of migratory children, including providing information and school reports required under section 1111 of the ESEA in an understandable and uniform format and including alternative formats upon request and, to the extent practicable, in language parents understand.

E. If the District plan for Title I, Part A, developed under section 1112 of the ESEA, is not satisfactory to the parents of participating children, CPS will submit any parent comments along with the plan when the school district submits the plan to the State Department of Education and forward a duplicate copy to the PIAB.

F. CPS will involve the parents of children served in Title I, Part A schools in decisions about how the one percent of Title I, Part A funds reserved for parental involvement is spent, and will ensure that not less than 95 percent of the one percent reserved goes directly to the schools. Any funds received by the schools must be utilized in a manner that facilitates and maximizes parental involvement at the schools. The use of parental involvement funds shall be in accordance with Board and NCLB guidelines and regulations and the parental involvement guidelines issued by the Chief Executive Officer or designee.

G. CPS will inform parents and parental organizations that the state maintains a Parental Information and Resource Center to support parents in the education of their children. The Academic Development Institute is the Parent Information Resource Center for the State of Illinois. It is located at the Illinois Family Education Center, 121 North Kickaboo, Lincoln, IL 62656. The Illinois Parent Information Resource Center is located at 1112 South Wabash Avenue, Chicago, Illinois 60605.

H. CPS will provide such other reasonable support for parental involuntary activities under section 1118 of the ESEA as parents may request.

III. Implementation Activities

A. District-Wide CPS Title I Parent Involvement Plan: CPS will jointly develop a district-wide parental involvement plan under section 1112 of the ESEA with parents by meeting regularly with a cross-section of parents, including, but not limited to, representatives of NCLB Title I parents, the NCLB Title I Parent Involvement Advisory Board, Parent Advisory Councils, PTA organizations, Local School Council Advisory Board, Friends of Special Education, bilingual education, early childhood education and other parent groups. The representatives will be encouraged to take information back to their respective members for input.

B. School Review and Improvement: CPS will continue to encourage and provide trainings as needed to LSCs (although not limited to LSCs), which consist of parents, community members, teachers, principals and high school students, to closely follow their state-mandated responsibility of: (1) approving school improvement plans; (2) monitoring school improvement plans; and (3) sharing and informing other parents and community members of the progress or lack of progress of the school improvement plans. Specifically, the Illinois School Code 5/34-2.3(7) requires each LSC to convene at least two well-publicized meetings annually to present to the school and its community the proposed local school improvement plan; the school expenditure plan; the annual school report; and the school progress reports. One of those meetings is to introduce the school improvement plan and the budget; the purpose of the other meeting is to report on the progress of the plan and the budget that supports it. For any existing or new school
with an alternate local school governing body to whom this policy may apply, CPS will encourage such body to design and implement policies and procedures for the creation and review of a school improvement plan and the regular communication with parents regarding the progress or lack of progress of the school improvement plans. Under Illinois law, a school's LSC will consider and approve appropriate and/or reasonable and necessary budgetary requests of the school PAC to use the Section 1118 parent involvement funds to support Title I parents in participating in Title I.

C.  **School Parent Involvement Activities to Increase Student Achievement:** CPS will continue to provide the necessary coordination, technical assistance and other support to assist Title I, Part A schools in planning and implementing effective parental involvement activities to improve student academic achievement and school performance. By helping schools to complete (1) an inventory of present practice; (2) a three-year two-year outline of broad goals that show how the school's partnership programs with parents and the community will grow overtime; and (3) a one-year action plan specifying how parents can help support the school improvement plan and increase student achievement.

D.  **Integration of Parent Involvement Strategies:** CPS will continue to coordinate and integrate parental involvement strategies in Title I, Part A schools with parental involvement strategies from other parental involvement programs such as: NCLB program, Head Start, State-operated preschool programs, bilingual programs, PACs and LSCs. Nothing in this policy shall conflict with the Board Policy Establishing a Formal Governance Structure for the Chicago Public Schools Head Start Program, 03-0225-P001, and both the Head Start and Parental Involvement policies will be implemented in conjunction with the other to the extent possible feasible and appropriate.

E.  **Evaluation:** CPS will take the following actions to ensure that conduct, with the involvement of parents, an annual evaluation of the content and effectiveness of this parental involvement policy in improving the quality of its Title I, Part A schools, with the involvement of parents, is conducted. CPS will ensure that conduct, with the involvement of parents, an inventory of centralized present practices of parent involvement is conducted, with the input of parents; in addition, CPS will encourage Title I, Part A schools to conduct an inventory of present practices. Title I, Part A schools will also be given evaluation tools to self-evaluate, with the input of parents, the effectiveness of their parental involvement programs and Title I, Part A schools, with the input of parents, will also be given an evaluation tool to self evaluate the effectiveness of their school-family-community partnership programs. The evaluation will include identifying barriers to that prevent greater participation by parents in parental involvement activities (with particular attention to parents who are economically disadvantaged, are homeless, are disabled, have limited English proficiency, have limited literacy, or are of any racial or ethnic minority background).

CPS will use the findings of the evaluation about its parental involvement policy and activities to design strategies for more effective parental involvement, and to revise its parental involvement policy (with the involvement of parents), if necessary.

F.  **Building Capacity for Parental Involvement:** CPS will continue its current efforts to build the schools' and parents’ capacity for strong parental involvement, in order to ensure effective involvement of parents and to support a partnership among the Title I, Part A schools, parents, and the community to improve student academic achievement, through the following activities specifically described below:
