

Proposal: Close Best Practice High School, an existing high school phase-out with 0 students enrolled.

Network: West Side High School
Neighborhood: Near West Side

Address: 2040 W Adams St
Grades: None

Enrollment: 0

Why We Are Taking Action:

- This is a technical school closure. Best Practice High School completed their phase-out one year earlier than anticipated
- Because there are no students currently enrolled in Best Practice, if the proposed school closure is approved, no students would be reassigned, and there would not be any direct impact on students and parents.

Safety & Security: None.

Academic Needs of Students

- Because there are no students enrolled in Best Practice, if this proposed school closure is approved, there will be no direct impact on students' academic needs.

Social Emotional Needs of Students

- Because there are no students enrolled in Best Practice, if this proposed school closure is approved, there will be no direct impact on students' social and emotional needs.
