

No Child Left Behind Choice Transfer Program – Fall 2009
List of High School "Receiving Schools"

Under NCLB, students from schools in school improvement have the right to apply for transfer to a school that is not in 'School Improvement'. A school is not in 'School Improvement' if it meets adequate yearly progress (AYP) each year. CPS used the results of the 2008 Prairie State Achievement Examination (PSAE) to determine the list of 'receiving' schools for the transfer program. These schools had 95 percent of their students (in the whole school and in each subgroup) participating in the state assessment and 62.5 percent of the students (in the whole school and in each subgroup) met or exceeded state standards. Additionally, the school had at least a 75 percent graduation rate. Also, newer schools are on the list because schools are not placed in 'School Improvement' until there is enough data for a comparison. If you have questions, contact the NCLB Choice Office at (773)-553-3500.
