### Elementary School Promotion Policy (Board Policy 13-1023-RS1)

Promotion decisions for students in grades 3, 6 & 8 will be made during the last week of school. Promotion status and applicable summer school requirement(s) will be determined by the student’s District-Wide Assessment (DWA) scores in reading and math, followed by a review of the student’s academic performance. To determine a student’s promotion status and applicable summer school requirement(s), please see grid below. All students must receive a passing score on The Constitution of the United States of America and The Constitution of the State of Illinois exams to receive an 8th grade diploma. Please see reverse side for additional information regarding Diverse Learners and English Learners (ELs).

2016-2017 School/Parent Guide to the Elementary School Promotion Policy
Benchmark Grades 3, 6 & 8 (Board Policy 13-1023-RS1)

Promotion Criteria
A student's promotion status is determined by the following measures:

 **District-Wide Assessment (DWA)**

- The **District-Wide Assessment** (DWA): The district-wide assessment will be the Northwest Evaluation Association’s (NWEA) Measures of Academic Progress (using the highest score from the last two annual assessments) or other norm-referenced assessment administered by the district. Students with no DWA scores in either reading or math will be considered achievement level 2B. If a student’s DWA results are incomplete or inaccessible through no fault of the student, the Office of Teaching & Learning shall make a promotion determination using the best available data consistent with the standards described in the Elementary School Promotion Policy.

 **Academic Performance**

- Report card grades in reading and math shall reflect a student’s unit test scores and completion of homework assignments during the school year. The **final report card grade** in each subject is an average of the grades reported at the end of each of the four reporting periods.

Promotion Criteria for Diverse Learners
Diverse Learners receiving special education and related services under an Individualized Education Program (IEP) are expected to meet the same promotion criteria as their same age, same grade, non-disabled peers unless the IEP modifies the promotion criteria in whole or in part (this includes English Learners with an IEP). For questions regarding promotion criteria for Diverse Learners, please call the Office of Diverse Learner Supports and Services at (773) 553-1800.

Promotion Criteria for English Learners
English Learners (ELs) will complete their general academic curriculum in their native language and/or English. ELs in the benchmark grades shall be promoted to the next grade at the end of the academic year if they receive final report card grades of “C” or above in reading and math. An EL's DWA scores shall not be used for purposes of promotion.

ELs who fail to meet the academic performance criteria noted above will be promoted to the next grade only upon satisfactory completion of summer school. Appropriate summer school placement will be determined by the Office of Teaching and Learning. For questions regarding promotion criteria for ELs, please call the Office of Language and Cultural Education at (773) 553-1930.

Satisfactory Completion of Summer School

- To satisfactorily complete summer school, a student must receive passing grade(s) on the summer school report card and have an attendance record of no more than 3 unexcused absences.
- Students in achievement levels 2B, 3A and 3B must also score at or above the 24th percentile on the mandatory end of summer assessment in the subject(s) where the student’s DWA score is below the 24th percentile in order to satisfactorily complete summer school.

Retention
A student who does not satisfactorily complete summer school will be retained in his/her current grade if this is a first time retention in the current grade cycle. All retained students will receive a Personal Learning Plan, which is developed by the student’s school along with the parent/guardian.

Students Turning 15 on or before September 1, 2017
If the student is 15 years old on or before September 1, 2017, the student may earn an elementary diploma upon successful completion of Summer Acceleration.

Parent Promotion Appeal
At the completion of summer school, parents/guardians of retained students will have five (5) days after receiving the promotion determination notice to submit a written request (appeal) for an additional review to the Chief Officer of Teaching and Learning or his/her designee.
