Safe Haven Safe Holiday

Chicago Public Schools (CPS) is partnering with the Department of Family and Support Services and local churches to provide Safe Haven Safe Holiday for high school teens. This six day program (December 21st–23rd and 28th–30th) allows for students to go to community churches (20 to 25 youth per church) and participate in activities to keep them safe and off the street during winter break. Activities will include a project based on performing arts, as well as an anger management/conflict resolution project. Each host church will be providing lunches, security assistance, T-Shirts, and bus transportation with support from the City and Chicago Public School (CPS).
