FREEDOM OF INFORMATION REQUEST

The Illinois Freedom of Information Act, as amended by Public Act 096-0542, was created by the state legislature to provide the public with complete access to public records. The Act, which originally went into effect on July 1, 1984, was created to clearly define the records that are subject to public review and inspections and to provide detailed guidelines on the procedures which are to be followed by both the public and the public body to whom the request is made. The intent of the law is to ensure that all citizens have comprehensive access to the information regarding the affairs of government and their public officials and employees.

I, the undersigned, am requesting the following documents under the Illinois Freedom of Information Act ("FOIA"). (Please print and be as specific as possible; use reverse side for additional space):

- For non-commercial requests, I understand I will receive an initial response to this request within five (5) business days.
- If I am making a request for commercial purposes*, I understand that I will receive an initial response to this request within twenty-one (21) business days.
- I also understand that I will be given the choice of inspecting any responsive documents in person at the Chicago Public Schools Central Office, 125 S. Clark Street in Chicago.
- I further understand that no fee will be charged for the first 50 pages of black and white, letter or legal sized copies, but there may be an additional charge for copies of documents in an electronic format or documents provided in color or in any size other than legal or letter size.
