

## Revised Research Review Board Calendar

School Year 2021 - 2022

Please see the following [link](#) for our most up-to-date guidance surrounding COVID-19 as it pertains to conducting primary research within Chicago Public Schools. As we continue to prioritize the health and safety of our students, the district will not be considering new or modified Research Review Board proposals unless explicitly flagged as high priority by district leadership. Consideration for projects not aligned to district priorities will be temporarily suspended until further notice.

While modifications for priority projects will continue to be reviewed on a rolling basis, new proposals will be accepted according to the following timeline:

Proposal Submission Deadline*	RRB Review Deadline**	Proposed Project Start Date*
4/23/21	6/7/21	Summer 2021 (6/23/21 – 8/27/21)
6/25/21	8/6/21	Q1 ( 8/30/21 – 11/4/21)
9/3/21	10/15/21	Q2 ( 11/8/21 – 1/27/22)
11/19/21	1/14/22	Q3 (1/31/22 – 4/7/22)
2/4/22	3/18/22	Q4 (4/18/22 – 6/14/22)

**Proposal Submission Deadlines are subject to change. Please check back regularly for the most up-to-date information.**

\*All materials must be received by our office by the submission deadline date in order to be reviewed by the associated RRB Review Deadline. For example, if your proposal is received by our office on or before September 3<sup>rd</sup>, 2021, you should not expect to receive a decision until October 15<sup>th</sup>, 2021. Thus, research activities would be on track to begin for Q2 (beginning on 11/8/21).

\*\*The RRB Review Deadline is the date by which the RRB estimates that we will have made decision for all proposals received on or before the respective Proposal Submission Deadline.
