Mr. Jaime G. Jaramillo Jr. - Principal • Dr. Anna Vilchez, Ms. Cheryl L. Williams - Assistant Principals

9/13/2019

Dear Steinmetz Parents and Guardians,

On behalf of Steinmetz College Prep and Chicago Public Schools (CPS), we want to thank you for a successful start to the 2019–20 school year. We're notifying you today about the accommodations our school will be providing a nearby district school, Locke Elementary School, as it undergoes necessary construction.

Starting Monday, September 16, all seventh- and eighth-grade students from Locke will use Steinmetz as an interim facility for this semester and return to their campus for the start of the second semester. Learning will not be interrupted for Steinmetz students, and Locke students will have their own area of the school. The Locke students will learn in the modulars that are currently used for Parent University.

We are working closely with the CPS Office of Family and Community Engagement in Education to ensure temporary accommodations are provided for Parent University programming. The district will provide an additional update once a location has been finalized.

Thank you for your understanding as we support the Locke school community. We are currently working with CPS to finalize all accommodation plans, and we will be sure to update you with information as it becomes available.

If you have any questions or concerns, please feel free to contact the school directly at (773) 534-3030.

Respectfully,

Jaime G. Jaramillo Jr.
Principal

Laura LeMone
Chief of Network 14
