PROCEDURAL SAFEGUARDS FOR DISCIPLINE OF STUDENTS WITH DISABILITIES/IMPAIRMENTS⁴⁰

School officials may suspend students with disabilities/impairments and cease educational services for a total of up to 10 consecutive or 10 cumulative school days in one school year without providing procedural safeguards. Saturday, and before- and after-school detentions do not count toward the 10-day limit. Additionally, if students with disabilities continue to participate in the general education curriculum, continue to receive their IEP services, and continue to participate with non-disabled peers to the same extent as specified in the IEPs, in-school suspensions and lunch detentions do not count toward the 10-day limit. Administrators are not required to suspend students with disabilities for the recommended periods set forth in this Code for a single incident. Specifically, the Principal or his/her designee has discretion to suspend students with disabilities fewer days than set forth for a single incident. Federal regulations offer some flexibility in suspending students with disabilities in excess of 10 school days in the school year in certain circumstances. In order to determine whether the circumstances permit a suspension in excess of 10 days per school year, consultation by the school with the Office of Diverse Learners Supports and Services (773 553-1905) is absolutely necessary.

Without such consultation and approval from the Office of Diverse Learners Supports and Services, the 10 school day limit on out of school suspensions will continue to apply.

When school officials anticipate a referral for expulsion, including referrals requesting emergency assignment pursuant to the CPS SCC, the following apply:

- 1) School must provide written notice to the parent/guardian or surrogate parent of the request for an expulsion hearing and the date of an Individualized Education Program (IEP) Manifestation Determination Review (MDR) meeting, which must be held within 10 school days of the date of the decision to request the expulsion hearing. School must also provide parent/guardian/surrogate with a written copy of the Notice of Procedural Safeguards.

⁴⁰ All procedural safeguards contained in the SCC and this Appendix are equally applicable to those students with S504 plans.

2) The IEP team must:

- A. Determine whether the misconduct is related to the student's disability by reviewing all current and relevant information, including evaluation and diagnostic results, information from the parent/guardian, observations of the student, and the student's IEP. The behavior is a manifestation of the student's disability if:
- 1) the conduct in question was caused by the student's disability or has a direct and substantial relationship to the student's disability; and/or
 - 2) the conduct in question was the direct result of the school's failure to implement the student's IEP.
- B. Review, and revise if necessary, the student's existing behavior intervention plan or develop a functional behavior assessment and behavior intervention plan (FBA/BIP) to address the misconduct. The behavior intervention plan must address the misconduct for which the student is being disciplined.

If the student's behavior is not a manifestation of the disability, school officials may apply the SCC, taking into consideration the student's special education and disciplinary records. In no event, however, may the student be suspended for more than 10 consecutive or cumulative school days in a school year without providing appropriate educational services.

If the student's behavior is a manifestation of the disability, a disciplinary change in placement (expulsion) cannot occur. Students with disabilities, even if expelled, must be provided with an appropriate education in an alternative educational setting.

All MDRs are subject to legal review by the Department of Procedural Safeguards and Parental Supports.

EXPULSION HEARING AND EMERGENCY ASSIGNMENT GUIDELINES

Request for Expulsion Hearing

- Expulsion is the removal of a student from school for 11 or more consecutive days, up to a maximum of two calendar years.⁴¹
- If a student's inappropriate behavior falls within Group 5 of the SCC, a school principal *may* request an expulsion hearing for the student. A school principal may also request assignment to an intervention program.
- If a student's inappropriate behavior falls within Group 6 of the SCC, the incident will be automatically referred for Student Adjudication review for a student in 6th through 12th grade or for any student violating section 6-1; a school principal *may* request an expulsion hearing for a student committing any other Group 6 behavior.
- The CEO's designee will review the expulsion hearing request and determine whether to refer the student to the Law Department for an expulsion hearing, assign the student to an intervention program, or refer the student back to the school for intervention/support.

Emergency Assignment to Interim Alternative Education Setting

- Students who commit Groups 5 or 6 misconducts may be assigned to an interim alternative education setting on an emergency basis ("emergency assignment") while a request for an expulsion hearing is pending without being given the opportunity for a hearing before an independent hearing officer.
- Requests for emergency assignment must be approved, facilitated, and implemented by the CEO's designee. The CEO's designee may request additional information when considering requests for emergency assignment.
- General education students may be placed in an interim alternative education setting if their presence at the home school poses a continuing danger to people or property, or an ongoing threat of disruption to the academic process. The student will be assigned to the Safe Schools Alternative Program until the expulsion final determination is issued.
- Students with disabilities may be placed in an interim alternative educational setting for a maximum of 45 school days, even in instances where the student's misconduct is ultimately determined to be a manifestation of his or her disability. Students with disabilities may be referred for emergency assignment when in possession of weapons or drugs, or for inflicting serious

⁴¹ This definition does not apply to exclusion of a student from school for failure to comply with immunization requirements or temporary emergency placement.

- For students attending the Safe Schools Alternative Program, a transition meeting, including the student, parents/guardians, alternative school staff members, and home school staff members, will be scheduled to discuss the student's transition back into the home school environment.
