#### What is Career & Technical Education?

Career & Technical Education (CTE) is a collection of high school programs that prepare students for college and career success by providing core academics, employability skills, and technical skills. As part of their CTE program, students may earn industry certifications and/or earn college credit in addition to a high school diploma. Students can graduate better prepared for high skill. high wage, and in-demand careers and all other post-secondary options.

For more information visit: ChooseYourFuture.cps.edu

#### What are the benefits of CTE?

Better attendance rates
Higher graduation rates
Higher college enrollment rates
Save money by earning industry-recognized certifications in high school
Gain college credits through our partnerships with colleges
Paid internships

### How can students apply to CTE?

8th graders: apply online at go.cps.edu
9th & 10th graders: speak with your high school counselor to sign up
