Your Interactive Guide to CTE

An overview of Career & Technical Education pathways at the Chicago Public Schools

What is Career & Technical Education?

Career & Technical Education (CTE) is a collection of high school programs that prepare students for college and career success by providing core academics, employability skills, and technical skills. As part of their CTE program, students may earn industry certifications and/or earn college credit in addition to a high school diploma. Students can graduate better prepared for high skill. high wage, and in-demand careers and all other post-secondary options.

What are the benefits of CTE?

☑ Industry certifications
  - Saving students hundreds of dollars
☑ Summer internships
  - Get experience working at top companies
    such as Lurie Children's Hospital or Chase
☑ College Credit
  - Students may start college with
    credits towards a degree

How can students apply to CTE?

• 8th graders apply online at **go.cps.edu**

• 9th & 10th graders should speak with
  their high school counselor to sign up

www.cps.edu/academics/career-and-technical-education

CTE PATHWAYS

Click each pathway listed below to see more information about the pathway and a list of related programs.

View Pathways Listed by:

CTE PATHWAYS

CTE Certifications

Agricultural Sciences

Students studying **Agricultural Sciences** learn the science, business, and technology involved in plant and animal production. In the classroom, students learn concepts involved in improving the quality and safety of food; caring for animals; managing agriculture business; and cultivating natural resources. Students then put theories into practice working on a farm, in a kitchen, or green house.

| CAREER PROGRAMS	SAMPLE CAREERS
• Agricultural Applied Biology	• Food Scientist
• Agricultural Business	• Agricultural Teacher
• Agricultural Mechanics	• Biochemist
• Animal Science	• Environmental Engineer
• Food Science	• Animal Scientist
• Horticultural Science	• Agricultural Sales Director
• Natural Resource Management	

Business

Business pathways are designed to prepare students for careers in accounting, banking, insurance, and financial mangement. Students learn to plan, organize, direct, and evaluate operations so they can run a successful business. Students participate in competitive events through Business Professionals of America (BPA) and Network For Teaching Entrepreneurship (NFTE).

| CAREER PROGRAMS	SAMPLE CAREERS
• Accounting	• Entrepreneur
• Entrepreneurship	• Operations Manager
• Marketing	• Personnel Recruiter
	• Banker
	• Accountant
	• Loan Officer

Architecture & Construction

In **Architecture and Construction** pathways, students gain the project management and technical skills needed to turn plans into products. Students get hands-on experience working with power tools, rendering blueprints, and managing projects. Each pathway focuses on one specific field related to architecture and construction.

| CAREER PROGRAMS	SAMPLE CAREERS
• Architecture	• Contractor
• Carpentry	• Electrician
• Chicago Builds	• Carpenter
• Electricity	• Architect
• HVAC & Refrigeration	• Heavy Equipment Operator
• Welding	• Welder

Culinary & Hospitality

The **Culinary and Hospitality** pathways prepare students for careers in management, marketing, and operations. Students are provided with opportunities to practice managing employees; assembling and preparing a restaurant menu; and developing exceptional customer service skills. Culinary and Hospitality pathways prepare students for success in any customer oriented field.

CAREER PROGRAMS	SAMPLE CAREERS
• Culinary Arts	• Chef
	• Food Service Manager
	• Restaurant Manager
	• Nutritionist

Education & Training

Pathways in **Education and Training** focus on the development of excellent teachers and caretakers. Students learn current educational theories and put their knowledge into practice by working in elementary schools and local daycares.

CAREER PROGRAMS	SAMPLE CAREERS
• Teaching	• Teacher
	• School Counselor
	• Corporate Trainer
	• Principal
	• College Professor
	• Coach

Health Sciences

In **Health Sciences** pathways, students learn medical terminology; study human anatomy; and investigate the prevention, treatment, and management of illnesses. Health Science exposes students to a myriad of careers in healthcare and to a future that is dedicated to helping others.

CAREER PROGRAMS	SAMPLE CAREERS
• Allied Health	• Pediatrician
• BioMedical	• Occupational Therapist
• Medical Assisting	• Veterinarian
• Medical & Health Careers	• Physical Therapist
	• Hospital Administrator
	• Microbiologist

Information Technology

Pathways in **Information Technology** prepare students for occupations in the fields of computer programming, software applications development, web design, and computer repair/installation. Students have the opportunity to design, develop, and manage different types of software programs and hardware.

CAREER PROGRAMS	SAMPLE CAREERS
• Computer Engineering	• Software Engineer
• Computer Programming	• Web Designer/Developer
• Game Programming	• Multimedia Producer
• Networking	• Network Administrator
• Web Design & Development	• Database Manager
	• Security Analyst

Media & Communication Arts

Pathways in **Media & Communication Arts** introduce students to the ever-growing array of new media forms. Students who are interested in becoming producers, directors, journalists, website designers, and multimedia artists can explore their interests in these pathways.

CAREER PROGRAMS	SAMPLE CAREERS
• Broadcast Technology	• Actor/Actress
• Digital Media	• Journalist
	• Graphic Designer
	• Video Producer
	• Audio Engineer
	• Costume Designer
	• Social Media Marketing/ Management

Law & Public Safety

In **Law & Public Safety** pathways, students are introduced to careers in law and criminal justice. Students are provided in-depth exposure to topics including criminal justice, law enforcement, family law, and forensic science. This pathway is a great fit for students who want to serve their communities and get real-life experience in courtrooms, law enforcement, and crime scene investigation.

CAREER PROGRAMS	SAMPLE CAREERS
• Chicago Police & Firefighter Training Academy	• Attorney
	• Police Officer
• Pre-Law	• Paramedic
	• Fire Fighter
	• Judge
	• Paralegal

Manufacturing & Pre-Engineering

Pathways in **Manufacturing & Pre-Engineering** develop students' science, technology, engineering, and math skills. Students learn the process of designing, assembling, and packaging items that we use every day. Computer technology and state-of-the art machines are used to develop and strengthen knowledge and understanding of concepts learned in the classroom.

CAREER PROGRAMS	SAMPLE CAREERS
• Machine Technology	• Machinist
• Pre-Engineering	• Welding Technician
	• Quality Technician
	• Manufacturing Engineer
	• Production Engineer
	• Environmental Engineer

Personal Care Services

The **Personal Care Services** pathways prepare students for careers in the professional hair and beauty industry by providing real world experiences in state-of-the art cosmetology and barbering labs. Students participate in citywide events and activities that provide the opportunity to earn the hours they need to get their state license.

CAREER PROGRAMS	SAMPLE CAREERS
• Barbering	• Barber
• Cosmetology	• Make-up Artist
	• Stylist

Transportation

Students in **Transportation** pathways are prepared for careers in which they plan, manage, and move people, materials and products by road, air, rail and water. These pathways prepare students to work on cars and trucks and navigate airplanes in a fast growing industry.

CAREER PROGRAMS	SAMPLE CAREERS
• Automotive Technology	• Automotive Technician
• Auto Body Repair	• Truck Driver
• Aviation	• Pilot
• Diesel Technology	• Air Traffic Controller
	• Drone Operator
