

# START YOUR FUTURE CAREER IN THE CHICAGO BUILDS PROGRAM!

**ATTEND NATIONAL COMPETITIONS. GET A PAID SUMMER JOB. HAVE FUN WHILE YOU LEARN!**

Chicago Builds is a citywide, two-year off-campus construction training program for CPS juniors and seniors interested in pursuing a career in construction after graduating high school. Chicago Builds is an IL Works Pre-Apprenticeship Program Site and offers the Master Builder program with City Colleges of Chicago. You will attend classes for part of the school-day and receive technical training in Carpentry, Electricity, Heating and Cooling (HVAC), Welding, and General Construction. Work with top industry partners like International Brotherhood of Electrical Workers (BEW) Local 134, Peoples Gas, ComEd, Power Construction, Chicago Women in Trades (CWIT), Chicago Transit Authority, Walsh Construction, and other General Construction Firms.
