Certificate of Final Acceptance

School Name: _____	Date: _____
CPS Project No.: _____	Project Manager: _____
Address: _____	Design Manager: _____
_____	Architect of Record: _____
Region: _____	Contractor: _____

Pursuant to the provisions of Section 44 of the General Contractor's Services Agreement the Work performed under this contract has been reviewed and found, to the Architect's best knowledge, information, and belief, to be eligible for Final Acceptance. For the purposes of this certificate, Final Acceptance is achieved when all base contract and Change Order work, punchlist work, training, distribution of Closeout Documents, and all other contract requirements have been completed in accordance with the Contract Documents. The date for Final Acceptance for this portion of the Work is hereby established as noted below.

The Architect of Record hereby accepts the Work and issues this Certificate of Final Acceptance. The Board's Authorized Representative and CPS also accept the Work for this project.
