

Your Voice for Special Education

The Office for Students with Disabilities (OSD) invites you to join a community of families of CPS students with disabilities dedicated to making a difference at the OSD Family Advisory Board (FAB).

Who We Are

The OSD FAB is a vital partnership between families and OSD leadership, CPS staff, community agencies, and the Illinois State Board of Education to work together to influence positive outcomes for all students with disabilities. We work together to enhance special education support and services across all CPS schools.

The OSD FAB facilitates open dialogue through question-and-answer sessions, information dissemination, and workshops. Our work fosters an informal yet impactful collaboration aimed at ensuring transparency in communication and enhancing comprehension of special education policies and procedures in CPS.
