Immunizations Requirement

Immunizations against the following diseases are required at a student's time of enrollment or no later than **October 15th** (*unless an Illinois Certificate of Religious Exemption Form is received*). Failure to do so can result in their being temporarily excluded from school until the child is documented as meeting the state's minimum health requirements.

- Diphtheria, Pertussis, and Tetanus (DTaP/Tdap)
- Polio (IPV)
- Measles, Mumps, and Rubella (MMR)
- Haemophilus influenzae, type B (Hib)
- Invasive Pneumococcal Disease (PCV)
- Hepatitis B (Hep B)
- Varicella (VAR; Chickenpox)
- Meningococcal Disease (MenACWY; MCV4)

Submit your child's Asthma Action Plan or any other medical plan at the time of registration. Updated physician orders are required annually or with any change to the health plan.
